Unique Rod Guard System for the safety of players of all ages

### Super Fast Assembly

Can be assembled with the included tool in about 25 minutes

### Doorstep Delivery

Delivered to your home or office

### Play like a Pro

Warrior is a top caliber, durable, player friendly table preferred by professional players for its championship play and stability (aprox. 200 lbs.)

### Recognized

Only table recognized by both the ITSF and USTSF

### # 1 in Value

Compare our MSRP \$699 table to tables costing \$1500 or more

## Perfect for youth programs and break rooms

## Our Mission

To provide the safest, high quality foosball table to our customers, at a low price.

Warrior Table Soccer, through many years of research and development have developed the Ultimate Foosball Table.

## Rod Guard System

Warrior's exclusive Rod Guard system protects against accidental injury providing added safety and peace of mind.

Warrior Table Soccer's "Rod Guards" take the danger out of the game by removing the possibility of serious injury to children and adults alike! ... "NO other table does!"

While I am not so mechanical, I was able to put it together no problem with some help from my son.  
- Bob O.

Thanks again. GREAT job turning out a quality foos table. I'd hide under mine in an earthquake, it's that solid!  
- Tom Porter

## This Warrior table can be assembled in just about 25 minutes!

Unlike most other tables that take 2 to 4 hours and all kinds of tools to build. The Warrior table only requires this one little tool (included) and can be assembled quickly and easily in as little as 15 minutes.

Manual and assembly video are available online.
